

## ABOUT US

Pit Stop Popcorn hit the streets of NY's Southern Tier in September of 2021, serving up a variety of different flavors of popcorn and kettle corn out of our restored 1964 delivery truck. Our flavor lineup includes classic favorites like theater style butter, kettle corn, caramel, cheddar, and gourmet flavors like buffalo cheddar, chocolate cherry, and other seasonal flavors. We are the area's only all-popcorn food truck and are fully licensed by the health departments of Broome and Tioga counties. Our truck can be found at local festivals, gatherings, and businesses from April through October.

### POPCORN SALE FUNDRAISER GUIDE

FOR YOUR  
CLUB, TEAM, OR

# HOW IT WORKS

Is your group looking for something new to sell to raise money? Look no further than Pit Stop Popcorn! Our fundraisers are similar to traditional pre-order sales. Sellers can take orders for bags of our popcorn using our customized printable sales flyer and order forms. Once your selling period is complete, your group submits a bulk order to us. We'll deliver or have your popcorn ready for pickup in 10-14 business days. You then distribute your popcorn to buyers- that's it!

## **No start up fees**

You only pay for the bags you sell, nothing more! Payment is due at order pickup or delivery.

## **Multiple flavor options**

We typically offer five flavors of popcorn for buyers to choose from. There's sure to be a flavor for everyone!

## **High quality products**

Unlike other popcorn fundraisers, our popcorn is made in small batches to order. Our resealable, heavy-duty bags keep popcorn fresh for several weeks after purchase as well. Our bags hold approximately twelve cups of popcorn.

**In 2022 our fundraising efforts and donations generated over \$24,000 for local teams, school organizations, shelters, community groups and other nonprofits.**

# WHO IS ELIGIBLE

Any nonprofit cause or organization is eligible for fundraising with us. Some examples include:

**school classes**
